Brochure

1. Using a graphic organizer, brainstorm as many, varied public recreational activities possible on and around the river.

2. Design and create a brochure advertising the Nashua River. Select at least 5 different ideas. For each idea, write a brief description using as many great descriptive words as possible. Create illustrations to complement each use.

3. Be sure to revise and edit the descriptions.

4. Arrange the descriptions and illustrations into an attractive brochure advertising the Nashua River to visitors.
