Cereal Box Planet Project

Due: ____________________

Materials Needed:
- Index cards with research
- an empty cereal box
- markers/crayons
- wrapping paper
- book report forms

Directions:
- First, research your planet
- Next, neatly wrap and cover your cereal box with a piece of wrapping paper (any color is fine.)
- Then, draw the cover of your planet on a piece of paper and glue it on the front of the cereal box. You can also use printed pictures.
- After, once your report is written neatly glue your report on the back of the cereal box.
- Then, fill out the side panel information cut and glue on the two sides of the box.
- Last check your project ... is it done neatly...did you follow directions... ???

Have fun, be creative and make sure you bring your report into school on or before ____________________
