The Boy Who Was Afraid to go Trick or Treating

Once upon a time there was a boy and the boy was scared to go trick or treating.

I am scared to go trick or treating Mommy.
The day before Halloween the boy's friend went to his house and started being mean to him because she heard that he was scared to go trick or treating.

Ha ha you're scared to go trick or treating!
So, his sister and his mom saved up money to buy the boy a puppy. So the boy was never scared to go trick or treating ever again.
