Kickemuit Middle School’s mission is to educate all students to become skillful learners and responsible, productive citizens. One way to achieve this is to develop a love of reading. The summer months provide the perfect opportunity to enrich your child’s reading experiences.

This summer all middle school students entering grades six, seven, and eight are asked to read and complete a response form for each selection. **Students are encouraged to read as many books they can this summer!** Remember to consider both fiction and non-fiction titles. Books can be selected from the suggested list on our library website or any grade appropriate self-selected title.

**For every book and form completed, your name will be entered into a raffle.** Prizes will be awarded by grade AND team, so there are many chances to win! The more you read, the better your odds!

Response forms can be accessed on the Kickemuit Middle School Library homepage or by visiting the link below:

*Rogers Free Library in Bristol and George Hail Library in Warren* have an extensive collection of middle grade and young adult books for students. We highly encourage you to take advantage of your town’s library.

You can also access suggested titles, book reviews and the assignment sheets on the Kickemuit Library website and find the tab on summer reading:
