Using an Atlas

Use the book, *Time for Kids World Atlas* to answer the following questions about the country that you investigate:

1. On what **pages** can you find your country (hint: check index)?
   ____________________________________

2. In what continent is your country? ______________________________

3. List the countries that border your country?
   ____________________________________________________________
   ____________________________________________________________

4. What is the capital city of your country?
   ____________________________________

5. What are the coordinates of the capital city? ________________

6. What is the population of your country (where did you find this)?
   ____________________________________

7. What language/s are spoken in your country?
   ____________________________________

8. What is the area of your country (in square miles)?
   ____________________________________

9. Are there bodies of water near/in your country?
   ____________________________________

10. Are there any interesting physical features in your country? How are these represented?
    ____________________________________

*For extra credit, find some fun facts about your country, if you can.*
